There will be **no parking available at Lincoln Park**. We recommend you park at the Cost Cutter Parking Lot, the Blaine International Center, 1733 H Street Blaine, WA. Please be respectful of businesses that may be open during the event.

Crossing H Street: **Please use the crosswalk**. Usable handheld flags will be placed on either side to help with visibility.

RACE RULES

This race is not timed and there is no prize for first place. Safety and fun are the top priorities!

- **Be kind and courteous to other racers** - you don't want to end up on the naughty list!
- While we encourage participation in all the obstacles, we understand that some might not be appropriate for all members of your group. **Much like fruit cake, you can skip at your discretion.**
- A reminder that we're dashing through the woods - **there may be hazards.**
 - Leaves can be slippery when wet. Hills can be slippery. Water might be slippery!
- **If you need assistance on the course, look for our volunteers.** You will be able to tell who they are as they will be wearing everyone's favorite safety fashion accessory - hideous beautiful orange vests! Or standing next to an obstacle instead of running!
- And the most important bit of information: **Costumes are absolutely encouraged!**
